

# Empty dummy

Everyday was the same day, Sunday, Monday, Tuesday, Wednesday & Thursday the worst day for Jenny.

Jenny hated school as much as she loved playing fortnight. When Jenny's worst time of the day was about to finish, she tried to act as she was still sleeping. When her mum Jennifer came to check if Jenny is awake, Jenny started to snore, zzz! skkk! zzzzz! Her mum brought a feather & an egg. Jennifer placed the egg in Jenny's hand & tickled Jenny on her nose. SMAK!!! Splattered the goopy, yellow, vomit scented egg on Jenny's nose. Jenny got ready for school, she always forgets her Harry Potter bag and her school. She accidentally wore her bright pink shoes. Lets see what will happen when Jenny reaches school.

Krrr! Opened the door. Why are you late? Meet Ms. Sara, a mean and crooked teacher. Ms. Sara was tired of Jenny opening the door, closing the door. Get!!! Out!!! Said Ms. Sara. Sadly Jenny was out of the class. Ms. Sara gave Jenny extra homework and it was due the next day. When she reached home, her mum forced her to practice for her spelling words. Spell difficulty said Jennifer, Mrs D, Mrs I, Mrs FFI, Mrs C, Mrs U, Mrs LTY. After that Jennifer did not even bother to test her. Jenny's mum checked her bag and found homework. Jenny expected her mum to do all of her work such as doing homework, packing her bag, I can't remember all of them or else I could tell you. Anyways, Turn the next page.
